

INVITATION FOR GLOBAL EXPRESSION OF INTEREST

GNRL Oil & Gas Limited is operating four oil & gas fields in Gujarat, India. Operator invites Expression of Interest from reputed Indian and international suppliers and service providers for Pre-Qualification to participate in bidding process under International Competitive Bidding (ICB) procedures for drilling of development wells, and equipment, materials & services under following Categories:

Code	Description
1.0 Drilling & Completion Services	
	Services
1.1	Cementing services along with supply of chemicals & additives
1.2	Civil works & services for preparation of rig sites, approach roads etc.
1.3	Directional Drilling (SDMM, MWD, LWD, Gyro services and other tools)
1.4	Drilling tools on rental
1.5	Fishing tools on Rentals
1.6	Hydro-Fracturing & tree saver services along with supply of Hydrofracturing Proppant, chemicals and additives, acids
1.7	Integrated Project Management (IPM) Services for Drilling, Testing & Completion
1.8	Mobile Land Drilling Rig services for drilling depth upto 2000m
1.9	Mud engineering services for Water Based and Synthetic Based Mud along with supply of Chemicals and additives for drilling Mud; Solid Control Services
1.10	Mud Logging Services
1.11	NDT Services for Tubular
1.12	Open hole logging Services
1.13	Cased hole logging & Perforation Services, Tubing Conveyed Perforation
1.14	Rethreading of existing R3 casing upto 13.3/8" (API threading facility)
1.15	Site Survey & location Stacking Services
1.16	Well Control services
1.17	Workover Rig services (30T, 50T & 100T)
	Drilling & Completion Tangibles
1.18	Supply of Casing Accessories
1.19	Supply of casing dope/casing thread lock compound/measuring tape
1.20	Supply of Completion Equipment
1.21	Supply of Drilling Bits
1.22	Supply of Float Equipment

Code	Description
1.23	Supply of Oil Well Cement
1.24	Supply of shale shaker screens (API)
1.25	Supply of Tubulars
1.26	Supply of Wellhead, X-mas trees & Accessories
1.27	Supply of X-overs/ Pup Joints
1.28	Third Party Inspection (TPI) for quality control & assurance services
2.0 Production	
	Artificial Lift System
2.1	Supply & installation of Sucker Rod Pumping surface unit & its Accessories
2.2	Supply & installation of Downhole pumps & their Accessories
2.3	Supply & installation of Gas Lift, plunger lift & their Accessories
2.4	Supply of Sucker rods, pony rods, rod guides & accessories
	Civil & Infrastructure
2.5	Civil & Structural Design Consultancy, Topographical Survey
2.6	Construction & Fabrication of Production Facilities
2.7	Construction & Fabrication work for Buildings, Industrial structures, Slope protection, Drainage, Bridges & Culverts, Roads, etc.
2.8	Installation of Oil & Gas transportation Pipelines
	Electrical
2.9	Supply & installation of Electrical Heat Tracing Systems
2.10	Supply of LV Electric Motors for hazardous areas with DGMS approval
	Mechanical
2.11	Workshop Services - HP Welding, Machining & Fitting
	Piping
2.12	Supply of Line pipe for transportation of oil & gas
	Technology
2.13	New/ latest technology for production/ development of oil & gas field
3.0 G & G and Reservoir Related Services	
3.1	2D/ 3D/ Seismic Data Onshore Processing/ Advanced Processing/ Special Processing i.e. AVO/ Inversion/ Rock Physics Modeling/ illumination Studies etc.
3.2	G&G data interpretation and integration
3.3	Laboratory Analysis of Cutting samples, sidewall core, Oil, Gas, Water & Mud

Code	Description
3.4	PVT Sampling and PVT studies & Laboratory analysis
3.5	Reserves/ Resource estimation & Certification Services
3.6	Reservoir Modeling & Reservoir Engineering Services
3.7	Slick line services (BHS, Sliding sleeve open/close etc.)
4.0 HSE & Fire Safety	
4.1	Collection, transportation and disposal of hazardous wastes/ materials as per pollution control board guidelines and submission of disposal certificates.
4.2	Servicing and maintenance of Fire protection and allied equipment.
4.4	Supply of Personal Protective Equipment (respiratory and Non respiratory)
4.5	Supply of Fire Extinguishers (Portable and trolley mounted)
4.6	Supply of Fire Protection Equipment – Fire Fighting Pumps (both portable and Stationary), Fire hoses, Hydrant Valves, Hose Reel & Accessories, Cabinets, Nozzles, Monitor, Fire buckets and other miscellaneous firefighting equipment.
4.7	Supply of Safety equipment, Fire blankets, Wind socks, Eye Wash Stations, Portable Gas Detectors, Safety Showers, Safety Torches, Safety Belt and Harness, etc.
5.0 Oil Field Services and Equipment Rentals	
5.1	Acidization
5.2	Artificial Lift Systems
5.3	CTU & Nitrogen Services
5.4	Hot Oil Circulation Unit
5.5	Mobile Air Compressors
5.6	Mobile Pumping Unit
5.7	Mobile Steaming Unit
5.8	Mud/ Water tank
5.9	Servicing & Maintenance of SRP units
5.10	Water Treatment/ Effluent Treatment Plant
5.11	Well Scrapping Services
6.0 Miscellaneous Equipment & Materials and Services	
6.1	Consultancy services for Environmental Compliances, liasioning & statutory approvals
6.2	Civil repair works
6.3	Consultancy services for land acquisition.
6.4	Consultancy services for obtaining Environment Clearance for drilling
6.5	Hiring of LCVs, trucks and trailers for movement of material from and to different locations in India.

Code	Description
6.6	Hiring of Material Handling Equipment, tools and related Services viz. Cranes, Hydra, Forklifts etc.
6.7	Hiring of Oil/ Water transportation tankers
6.8	Hiring of Passenger Vehicles
6.9	Inspection and NDT of casing pipes, tubing and other equipment/ stores.
6.10	Providing CHA & Freight forwarding services
6.11	Security Services
6.12	Services for Industrial Plant Painting Jobs.
6.13	Supply of Chickson pipes, bends, swivels, quick couplers, hammer unions etc.
6.14	Supply of different types of chemicals used in Oil and Gas Production operations.

Interested service providers/ suppliers are required to submit the details as per the structure indicated below:

- Section 1: Letter of Interest listing the material/ services (indicating the Code of EOI) for which service providers/ suppliers wishes to qualify
- Section 2: Company Profile including Registered & Communication Address, List of Contact Person along with contact information viz. Ph/ Mobile No., email id.
- Section 3: List of Similar work successfully executed in the last 3 years and contracts currently under execution. Copy of contract, purchase order, work order, experience certificates etc. along with proof of execution shall be submitted (Submit at least one supporting for each year).
- Section 4: Brief Technical details, specifications, brochure etc.
- Section 5: Details of available infrastructure, facilities and technical support to successfully execute the contract
- Section 6: QHSE Policy & Systems followed by Contractor and Safety record summaries for accidents, injuries, damages, near-misses & LTI over the past 3 years. (for service providers only)
- Section 7: Audited financial statements for the past three years.

Interested suppliers/ service providers must submit their responses by **July 31, 2021**. EOI may be submitted as digitally signed electronic copy in CD/ DVD/ pen-drive/ email or signed & stamped physical copy. EOI responses (1 original) shall be sent in sealed envelope at the address mentioned below. If EOI is being submitted by email, attachment size should be limited to 20 MB per email (multiple emails can be sent with serial numbers for identification). Company has sole discretion without assigning any reason whatsoever to accept or reject any of the submission.

The envelope shall be superscribed with “**Global Expression of Interest – Pre-qualification 2021**” and shall be sent to:
