**Sub: Disclosure giving operational update of drilling campaign by the Company & its Subsidiary**

In accordance with Part B of Schedule III, read with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and as part of our ongoing communication regarding the drilling campaign being undertaken by the Company (GNRL) and its step-down subsidiary, GNRL Oil & Gas Limited (GOGL), we are pleased to provide the following update.

GOGL commenced its two-well development drilling campaign in the North Balol gas field on 10<sup>th</sup> August 2025. The first well, NB10, has already reached a depth of 312 meters, with a planned total depth of 900 meters. The field is currently producing 11,000 Standard Cubic Meters per Day (SCMD) of gas. Following the drilling of both wells, production is expected to increase to 60,000 SCMD. These two new development wells are expected to commence commercial production within two months. GOGL holds a 30 percent participating interest in the North Balol field.

You are requested to take the above information on record.

We will continue to keep you updated on the progress of this significant initiative.

Thanking You.

Yours Faithfully,

For, Gujarat Natural Resources Limited
